| Year | Guild | Branch Admin | Bell Fund   | Total             |
|------|-------|--------------|-------------|-------------------|
| 2020 | £5    | £3           | £7 Optional | £8 or £15         |
| 2021 | £5    | £0           | Donations   | £5 plus Donations |
| 2022 | £5    | £3           | £7          | £15               |

### Notes:

1. The numbers above are for Adults
2. Juniors have been £6 then £5 for 2021 and suggest back to £6 for 2022
3. The Bell Fund needs a steady income to enable it to operate in a positive manner
4. This recommendation assumes no change to the Guild Fee in 2022
5. In 2020 75% of Adult Members paid the optional Levy of £7 and the total of the Levy and sundry donations was £1,022.
6. £15 for 12 months access to and use of some very expensive equipment plus physical and social activity for a whole year seems quite modest.
7. This recommendation or a variant to this will be proposed at the Autumn 2021 Business Meeting
